

COMMUNITY FOUNDATION OF WEST TEXAS ANIMAL WELFARE GRANT

Deadline for Applications: January 15

Online applications must be submitted by midnight. Only complete applications will be considered for funding.

Eligibility:

The *Community Foundation Animal Welfare Endowments* provide grant funding for nonprofit organizations in the South Plains area that address the needs of lost, abandoned, and injured animals. Applying organizations should have an animal welfare related mission.

The Process:

After we receive your complete proposal, our Animal Welfare Advisory Committee will review and provide comments. Additional information or a site visit may be requested. The Community Foundation Grants Committee will then make final recommendations to the Board of Directors. You will be notified of the Board's decision as soon as possible after the Board meeting at which your application is considered. All grant recipients must report on the expenditure of grant funds and results of the supported project within one year of the award or prior to submitting a new request for funding.

The Foundation Does Not Typically Fund:

- Annual Appeals, endowment funds, membership contributions or fundraising events
- Existing obligations, loans or debt retirement
- Long-term operating support
- Political/lobbying efforts
- Grants to individuals

Reporting:

All grantees are required to submit a Final Report within one year of the grant award. A Final Report link is available on your account page for each grant awarded. Future grant awards are conditioned upon the receipt of complete reporting. In some cases, it may be appropriate to submit a Progress Report. If this is the case, you will be notified by Foundation staff and a link will be made available on your account page.

Deadline to apply:
January 15

Online application:
