

**2019
ANNUAL
REPORT**

Dear CFWT Family,

The year 2019 kept everyone on their toes. The markets were volatile, yet we logged significant gains due to the leadership of our Investment Committee, investment managers, and good old fashioned West Texas intelligence. The Grants Committee granted nearly double the prior year's record; and, our Public and Donor Relations Committees joined forces to capitalize on future opportunities. Our Affiliates, Plainview Area Endowment, Hockley County Endowment, Post/Garza County Endowment, and Slaton Area Endowment have doubled their endowments since 2016. All in all 2019 was a good year with many victories and successes.

Complex asset gifts to the Foundation have been on the increase. These gifts are not easily liquidated and they can be property or mineral-rights, just to name a few. If you have an idea that involves a complex gift, let's talk and discover how we can bring your philanthropic dream to a reality. Whether you are considering a cash gift, IRA transfer, stock or a complex asset for your endowment, our team is ready and willing to make it happen.

A few 2019 highlights:

- The Mental Health Needs Assessment was completed.
- Young City Park in Shallowater was completed.
- The Gateway Tornado Memorial LNB Park broke ground in October.
- We convened stakeholder meetings to bring a Community Development Financial Institution (CDFI) to West Texas.
- We honored the Bass Family as our Heroes of the Year.
- Gracelyn Thomasson and Amanda Martin joined our staff of now 7 team members.

Each year we welcome new donors, new funds, new opportunities to serve, and new Board members. We also take time to say thank you for your trust and for the opportunity to serve West Texas as your Community Foundation. We never know what the future has in store, but we do know it is brighter and has great potential because of passionate West Texans like you.

Resting is not on the horizon for the Foundation. Seeking to alleviate poverty, improve education, improve our regions health, animal welfare, promote the arts, and support economic development means always getting up early and being flexible. Moving forward, it is our goal to help donors create endowments to last in perpetuity. We are ready to serve you.

Dear Community Foundation of West Texas Family:

It was truly my honor to serve the Foundation as Board Chair for 2019. To work with my fellow board members, staff, grantors/donors and most importantly, the grantees, was nothing short of amazing. This family is one of a kind. With the hard work and dedication of each of these persons, the Foundation broke MANY records this past year! This means more funds were set up, and awards given to more people and non-profits in our West Texas communities than ever before. The Foundation is set to increase our exposure and help even more people in 2020, and we are very excited to meet this challenge moving forward. Below is a list with just some of the 2019 records we set at the Foundation:

- Total value of funds hit \$51 million.
- Total dollar amount awarded \$4.3 million.
- Total number of funds 317.
- Total raised for Giving Tuesday \$523,000.

In addition to the above records, we have recently started the "Friends of the Foundation" as an auxiliary group to help promote and provide operating funds for the Foundation. For just \$100 annually, you can become a "Friend." We are very excited to see Friends of the Foundation grow so that it can help sustain the wonderful work being performed here at the Foundation. We see this arm of the Foundation as a vehicle to help spread the word on what all the Foundation does for our 15 county geographic region. We are looking for individuals, businesses and other non-profits to become friends. Please call the Foundation, or go to the website at www.cfwtx.org to join today!

Lastly, I cannot stress how important the Foundation is to West Texas. The work done here is truly life changing for so many. Thank you again to all those that have helped make 2019 such a success, and now let's all continue the hard work to make 2020 a year to remember! Please stay involved, we need you, and please join Friends of the Foundation and get your friends to do the same. Thank you again.

Investment Management

The prudent investment of assets is central to the Foundation's responsibilities. Our reputation and capacity for serving the community is directly tied to our ability to conserve capital and secure the best possible return. Endowment funds exist to provide perpetual resources for charitable purposes. As a result, investment decisions are made more conservatively with perpetuity in mind. To meet our investment objectives, the Foundation follows a strategy focusing on long-term total return. Investments are diversified to avoid any single security or class of securities having a disproportionate impact on the total portfolio.

The Power of Endowment

There is no better way to serve your community than to give back to your community. The Foundation offers several charitable fund types that can be tailored to your needs and wishes.

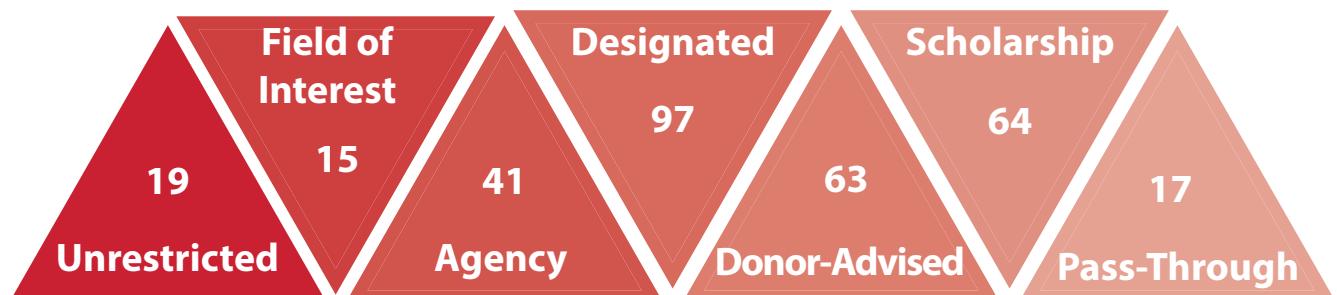

Fund Types

Community Fund	Allow the Foundation to identify needs and opportunities in the community and target your dollars where they can be most effective through competitive grants.
Field of Interest Fund	You decide the general purpose of the fund, such as education, arts, aging, children and youth, animal welfare or health, and the Foundation funds projects that are effectively furthering your charitable interest through competitive grants.
Designated Fund	Specify particular charitable projects or organizations to receive grants from your endowed fund.
Donor Advised Fund	Annually recommend organizations or causes you wish to support or our staff can work with you to identify charitable organizations addressing issues of importance to you. You recommend grants to charities you wish to support. The Foundation ensures the charitable status of beneficiaries and provides grantmaking, oversight and administrative support.
Scholarship Fund	Work with the Foundation to create the guidelines for students who can receive assistance from the fund. For example, selection may be based on high school or college attended, merit, need, or field of study.
Agency Endowment	A nonprofit agency can establish a fund for the benefit of their agency. The Foundation regularly distributes grants back to the agency for purposes chosen by the agency.

Fund Structure

Endowment Endowment funds carry an inherent power to provide for community needs in perpetuity through continued growth.	Non-Endowed Monies are received by the Foundation and distributed with little or no dollars remaining with the Foundation.	Acorn A starter fund created with \$1,000 or more that allows the donor up to 5 years to reach the required fund minimum.

2019 Hero's Luncheon

honoring the Bass Family

The Bass Family is a Lubbock legacy representing a lifetime of service to the Lubbock community through numerous civic, cultural, and community institutions and initiatives that foster greater representation and diversity within the Lubbock community. They have also advanced greater public participation in the pursuit of the high ideals represented in the arts, racial equity, and community service within our city.

The 2019 Hero's Luncheon honoring the Bass Family took place at Overton Hotel & Conference Center on October 9, 2019.

The roots of community service and involvement run deep in the Bass Family. Roy and Anita epitomized the West Texas spirit of giving, community service, and civic involvement. Their legacy is recognizable

today. As founding members of Second Baptist Church and South Plains Food Bank, they led by example, showing their sons, Byrnie, David, and Mark, the value of community, cultural and civic involvement.

The Bass brothers and their wives, have collectively invested time, energy, and money in the Vounteer Center of Lubbock, Salvation Army, Lubbock Area United Way, Lubbock City-County Library Board, Lubbock Entertainment and Performing Arts Association, Lubbock Downtown Development, Lubbock Symphony Orchestra, Lubbock Arts Alliance, and many others.

Byrnie & Sharon, David & Margery, and Mark & Betsy are continuing their family legacy. They have given Anita and Roy 7 grandchildren and 10 great-grandchildren. Thank you, Bass Family, for your meaningful contributions to our home, West Texas.

Mental Health Initiative

As the understanding of mental health has improved throughout society, it has become clear that these illnesses are treatable and require the same kind of attention that we might give diabetes, cancer, heart disease, etc. The Community Foundation of West Texas is proud to support those in our community working toward effective treatment, intervention and prevention. Recognizing that mental health issues exist everywhere, including right here among our friends, our families, and our neighbors -- six community partners have joined forces with us, in a meaningful way, to make a difference in 2019.

Our community partners, the City of Lubbock, Covenant Health System, Lubbock County, StarCare, Texas Tech University Health Sciences Center, Texas Tech University System, and University Medical Center are making progress toward collaborative solutions.

The Meadows Mental Health Policy Institute was hired to assess mental health needs on the South Plains. By mobilizing assessors throughout our community, the needs of and services available for our local veterans, students, homeless, and general population were identified. Based on the information gathered by the MMHPI, a path toward closing service gaps is being created. The Community Foundation's goal in this initiative is to support collaborative implementation of solutions for the benefit of this area.

Giving Tuesday LBK

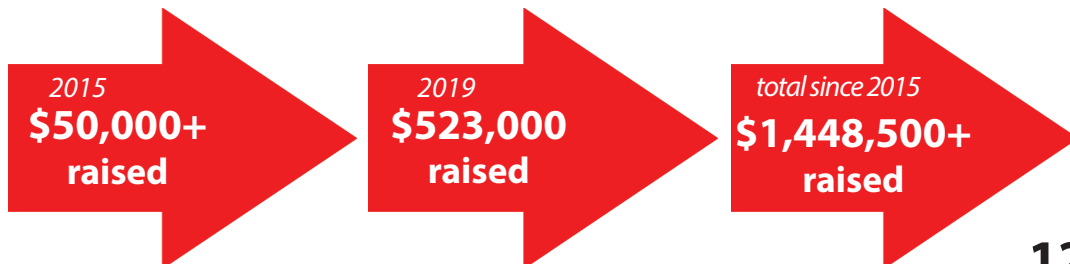

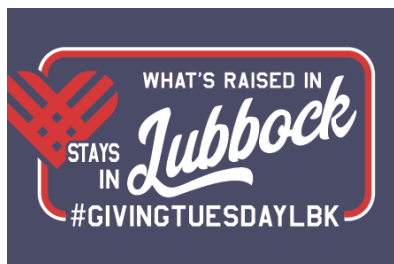

Each year Thanksgiving is a day for giving thanks followed by two days of consumer deals. Giving Tuesday is a global day dedicated to giving back. On Tuesday, December 3rd, charities, families, businesses, community groups, and students around the world came together with a common purpose:

celebrating generosity and giving.

Since 2015, the Community Foundation, in association with Alstrom Angels, has proudly hosted #GivingTuesdayLBK. The focus of this initiative is bringing local businesses, families, students, and individuals together for the benefit of those working tirelessly to make life better right here at home - our local nonprofits.

2019 saw a record number of philanthropists across the South Plains giving to local nonprofits through Giving Tuesday. With 59 participating non-profit organizations, **over \$523,000 was raised in the #GivingTuesdayLBK campaign!**

Faces of Philanthropy

Every day, people from all walks of life are volunteering their time, lending their expertise, sharing ideas and giving their resources for the betterment of others. This is philanthropy at its best. It has many faces, many forms, and many voices. Every person who gives to the Foundation has a unique story, unique personal interests and a shared desire to give right here at home. Creating change by bringing people, organizations, funding and energy together for the common good is their quest.

Don Taylor Endowed Funds

After graduating from McMurray University, where he played basketball, Don Taylor accepted a teaching position at Roosevelt High School in 1956. With his career spanning 44 years, he was involved in all aspects of life at Roosevelt High. While teaching, Taylor earned his master's degree, moved into administration, and served as the school district's Superintendent from 1975 until his 2000 retirement.

During his years at Roosevelt, Taylor saw the organization and growth of Texas Boys Ranch yet another opportunity for him to be involved and serve; and, serve he did. Taylor drove the school bus transporting kids living at the Ranch to and from school at Roosevelt.

With a well-defined interest in education and apparent heart for service, it is no surprise that Taylor created an endowment and a scholarship. The *Don Taylor Endowed Funds* are for graduating seniors pursuing a post-secondary education. The *Don Taylor Summer Camp Endowment* is a fund solely committed to sending kids, residing at the Texas Boys Ranch campus, to summer camp.

Mr. Taylor was married to Charline. They have two children, two grandchildren and four great-grand children.

"Someday you will have the opportunity to give back. When you do, know your support is doing something worthwhile."

Gateway 1970 Tornado Memorial

"At 9:46pm that night, all the electric clocks in Lubbock stopped. As time stood still, the most devastating tornado in history ravaged huge portions of my city,"

- *W. Hershel Sharp, Chief, Lubbock Fire Department, 1970.*

Not only did time stand still that night, but lives were halted. From 9 months old to 88 years, 26 people lost their lives when two incredibly destructive tornados tore through Lubbock. These people, many in the prime of their lives, simply could not escape the devastation of these storms and perished in their cars and homes as they made attempts to get to safety. Some of these victims still have family living in Lubbock.

In addition, according to www.lubbocktornado1970.com, 255 people were injured and 1,500 people suffered minor injuries. City leaders, with the leadership of new Mayor Jim Granberry responded quickly and efficiently, orchestrating a disaster relief plan.

May 11, 2020 will commemorate the 50th Anniversary of the 1970 Tornado and we are thrilled to be a part of ensuring a memorial will be constructed by that anniversary date to celebrate the city leaders of that time as well as memorialize the victims. This memorial will also serve as a gateway into the newly revived downtown cultural arts district.

Investing in the Community

We believe that every grant is an investment in the communities we serve. We are committed to making a meaningful difference with a focus on promoting thriving communities, encouraging education at all ages, enriching lives through the arts, and assuring basic needs and self-sufficiency needs are met for families in the South Plains.

Transforming Lives in the Community

St. Benedict's

St. Benedict's Chapel is an ecumenical organization dedicated to serving Lubbock's food insecure - the working poor and homeless population. As a faith-based organization, St. Benedict's goal is, not only feeding stomachs but, lavishly loving and offering dignity to each person crossing their threshold. In 2007, Father Barry & Anne Ferguson began regularly and intentionally feeding and caring for the homeless in downtown Lubbock. Over a decade later, their effort has grown into a collaboration of 9 churches providing a rotating volunteer force joyfully providing food and friendship every day of the week. The kindness and support offered at St. Benedict's is creating community and transforming lives.

Michael arrived at the door of St. Benedict's lonely, on-foot, and desperate for a meal. Given food and the fellowship of good company, Michael returned regularly. It didn't take him long to find support and the peace he needed to grow - Michael found community at St. Benedict's. Since then, Michael shows up early each day to set tables, fill water glasses, clean the kitchen and dining area. A faithful volunteer, he is willing to help with any job and quick to offer a warm smile and friendly conversation to old friends and newcomers alike. If you ask Michael today, with heart and depth in his eyes, he will simply say, "St. Benedict's saved my life."

"Whoever brings blessing will be enriched, and one who waters will himself be watered."

- Proverbs 11:25

Innovating Education

Levelland Middle School

Understanding the connection between lines on a graph and the motion of objects in life can be difficult for young students, but it's a necessary skill for success

in Physics class. With an interest in inspiring an inquisitive approach to the world, Ashley Davis and her team of Science teachers at Levelland Middle School, applied for a Mini-Grant for Teachers, to physically introduce their students to Sir Issac Newton's Three Laws of Motion. A mini - grant was awarded for the purchase of Human Dynamic Carts to use during Physics units. These carts allow 6th & 8th graders to learn

about speed, velocity, and acceleration firsthand. By graphing their own movements, students are in control of the action and learning by doing! Working in groups, students creatively problem-solve. As they plot their own motion, they begin to realize, "the faster I go, the more the graph curves." This concept alone stimulates curiosity and further "research." We love being a part of the good things happening in education on the South Plains! Mini-Grants for Teachers is one way we participate in nurturing the bright minds of tomorrow.

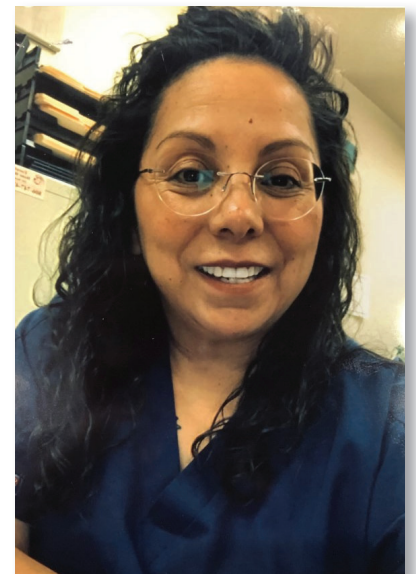

Investing in Our Future

Woman-to-Woman Scholarship Recipient - Anita Pauda

As a single-mother of four, Anita Pauda worked for years in the medical industry struggling to make ends meet, yet still building belief into her kids along the way. With her own dream of becoming a Registered Nurse on the back-burner, she raised them on a steady diet of encouragement and reminders that they could do anything they decided in their hearts if they refused to quit. As a cancer survivor, Anita knows a thing or two about not giving up.

The Woman-to-Woman Scholarship is awarded to women residing in the South Plains area, who are 50 years of age or older, and in need of additional education or vocational training in order to make needed changes in current employment situations.

Anita was an easy choice as a recipient! Already enrolled in classes at South Plains College and maintaining a 4.0 GPA, she was also accepted into Nursing school. Anita is on her way to achieving her lifelong goal of becoming an RN working in the field of Oncology. Anita's journey is possible though the woman-to-woman scholarship.
